

Code Enforcement

If you would like to speak to someone about addressing a possible code enforcement issue at a property, please don't hesitate to call City staff at 952-473-6961. Your identity in making a code enforcement complaint is not public information and remains anonymous outside of your contact with City staff. Common code enforcement issues include, but are not limited to, grass exceeding 8" in height, garbage and junk in yards or driveways for an extended period, and unlicensed vehicles being kept in inoperable condition in yards or driveways.
