

Seeking Resident Volunteer for LMCC Representative Vacancy

News Release Date
12-26-2023

The City has an opening for a resident to represent the City on the Lake Minnetonka Communications Commission (LMCC). The LMCC oversees the franchise agreement with local cable operator Mediacom, and promotes awareness and use of community television resources. The Commission's composed of 22 members - two representatives from each of the eleven communities. The full Commission meets on the second Thursday of the month, four times per year. The Executive Committee, elected annually, meets by request.

The LMCC meets to hear subscriber reports, handle compliance issues and subscriber complaints. The Commission also advises cities on communication services that may be available to residents. The Commission and its staff provide the residents they serve an opportunity to communicate with their area neighbors through the medium of community television.

City of Long Lake residency is required to be considered for this position. If interested, please complete the Application to City Board or Commission form and email it to the City Clerk at [jmoeller \[at\] longlakemn.gov](mailto:jmoeller@longlakemn.gov) or drop it off at City Hall.
