BUSINESS ITEMS

LMCC Update

Post introduced LMCC City representative Mahoney. Mahoney discussed recent quarterly LMCC meetings he had attended, status of the franchise renewal agreement process, and the potential of "underserved" cities to opt out of the JPA group and negotiate their own franchise agreement. General discussion ensued. Mahoney thanked the Council for their input and agreed to keep in touch via email through the City Administrator regarding franchise renewal developments.

Discuss Interim City Assessor Appointment

Post referred to the discussion last work session meeting with Rolf Erickson and polled the Council regarding their preference in negotiating an agreement with Mr. Erickson on an interim basis through June or July, or going immediately to issuing an RFP for assessor services. Council indicated that an interim appointment followed by an RFP would be preferable.

OTHER BUSINESS

The 2013 budget includes a project to update City street signs to be in accordance with height (currently 6" and should be 9") and luminosity requirements. Current signage is black and white. Post showed a green and white street sign example. Council was supportive of changing to the green and white color scheme for the 2013 street resigning project.

Olson requested staff to provide statistical information regarding compliance with the recently adopted rental housing registration ordinance.

ADJOURN

The work session was adjourned by general consent at 6:32 pm.
Respectfully submitted,

Terrance Post, City Administrator
