**Others Present:**

Council Liaison Donny Chillstrom

**Approved Agenda:**

No objections were made to the agenda as presented.

**Approved Minutes:**

Minutes of the March 25, 2014 meeting were approved by all members.

**Discussion of Tennis Court Repair:**

- \* Wurzer presented repair quotes. One from Upper Midwest was lower than expected to completely redo the courts - take out existing and rebuild.
- \* A motion was made by Hardin, seconded by Skjaret, to direct staff to investigate funding up to \$80,000, and bring it to City Council. Ayes: all.
- \* We will continue discussing putting a pickle ball or paddle tennis court at Holbrook.

**Discussion of Pickle Ball Court**

\*We had a general discussion of pickleball. Wurzer and Weske will determine the dimensions and see if it would fit next to the tennis court area at Hardin Park, and also look into placing it in Holbrook. Then the idea will be run by the City Council.

**Memorial Bench Program:**

- \*It turns out the benches are a little spendy - around \$1,000.
- \*Chillstrom will look into a DIY option, and talk prices with one resident who is interested in the program.

**Adjourn:**

The meeting adjourned at 6:09 pm.

Respectfully submitted,  
Sally Skjaret  
Park Board Secretary
