BUSINESS ITEMS

Discuss Resident Request to Flood Hardin Park Skating Rink

Citizens around Hardin Park would like it flooded so it can be used for skating. It has been done in the past but was discontinued because of lack of use. It is estimated to cost \$2500-\$4000 a year if Public Works were to maintain it.

Council discussed the costs but agreed to have the park flooded. If at any time during the year it looks as if it isn't getting used Public Works will not be keeping up the ice.

Discuss Final 2015 Operating Budget and Levy

City Administrator Weske presented the final budget and levy to the council for discussion. Staff and Council have spent a lot of time discussing all part of the budget for a few months. Everyone has a good understanding of the budget and doesn't see any reason to lower the levy for the 2015 year.

Rates will be talked about once there is a firm dollar amount on how much the water meters will cost.

OTHER BUSINESS

No other business was discussed.

ADJOURN

A motion was made by Chillstrom, seconded by Olson, to adjourn the meeting. Ayes: all. The meeting was adjourned at 6:30pm.

Respectfully submitted,

Scott Weske, City Administrator
