

Properties for Sale or Lease

Long Lake Commercial Property Owners

Do you have space available that you'd like to see included on the list below? If so, please contact the City Clerk at **952-473-6961** x1 or jmoeller [at] longlakemn.gov (**by email**). We'll need to know your property address; the parcel area, building area, or tenant space area available in square footage; and the contact name, phone number, and/or email address for inquiries regarding your site. If you already have a file prepared that has all the requested information, you can email what you already have available. *There's no fee for your property to be included in this listing*; however, we ask that you contact us when your space is no longer available.

Properties for Sale or Lease

Long Lake is home to a number of excellent buildings that provide opportunities to house a wide variety of industrial and retail uses. Below is a list of locations known by city staff to be available for purchase or lease at this time. Please click on the properties listed below to view and print a .pdf providing the location, zoning, and contact information for each site.

- **For Lease - 2435 Wayzata Boulevard W**

Will your business be a good fit for a potential site? Call us before you lease or buy!

Before you enter into a lease or purchase agreement, please give us a call at **952-473-6961** x1 to verify allowable uses for a site and for zoning information on any property you may be considering for your business. We're here to help with any questions you may have.
