Discussion of Disposal of Nelson Lakeside Park Play Equipment:

It was decided not to reuse the current playground equipment at Nelson Lakeside Park. It will be auctioned off or given away. The new equipment has been ordered, for installation mid- to late June.

Review of Goals:

- * The materials for the Hardin Park shelter are ready to go. Scheduled for a May install; still awaiting permits.
- * Davidson suggested a brainstorming session. She will provide Jeanette with the guidelines, who will, in turn, send them out to members. We will discuss over the next couple of meetings.

Goose Control Program:

- * Wurzer discussed that the city must come up with a Goose Control Plan, which would then have to be approved by the DNR before we are able to do goose control.
- * McCarthy volunteered to look into various programs and report to Wurzer on his findings.

Other Business:

There have been no requests for memorial benches, and it was decided to promote the program a little more in the newsletter.

Adjourn:

The meeting adjourned at 6:40 pm.

Respectfully submitted,
Sally Skjaret
Park Board Secretary
