Park Board Brainstorming Session:

A discussion was held to brainstorm ideas for upcoming Park Board projects. General ideas were thrown out, and also ideas broken down by age group. Davidson will organize these ideas and bring to the next meeting. The discussion will continue.

Other Business:

- * McCarthy has been researching goose control programs. No comprehensive plan will be available until next year. There may be some interim things that can be done, such as landscaping.
- * The board received a letter from Jahn Dyvik asking about moving the existing play structure to the area near the Lions' Pavilion. The board does not want to reuse because the equipment is not in good shape and is not ADA compliant. The board is in favor of moving the swings to that area.

Adjourn:

The meeting adjourned at 6:32 pm.

Respectfully submitted,
Sally Skjaret
Park Board Secretary
