Park Board Brainstorming Session:

- * Hardin handed out a document outlining his thoughts. In essence, he thinks the programs should be well-thought out and organized so they are well received. He suggests working with Orono Community Education to explore activities most beneficial for students and park program success.
- * Crawford suggested we circle 5 items from the brainstorming list that are favorites and bring to next meeting.

Goose Control Program:

- * Goehring informed us that a goose control plan has been approved by the DNR. It is now in place and can be carried year to year.
- * A firm has been hired and will shortly be removing the geese; they just have to find them first.

Other Business:

- * The building of the shelter at Hardin has been a learning experience, and shelters will be built at Dexter and Holbrook as time and money allows.
- * Wurzer received our hearty thanks and best wishes on his retirement.

Adjourn:

The meeting adjourned at 6:30 pm.

Respectfully submitted,
Sally Skjaret, Park Board Secretary
